What we completed this week

WEEKLY
READ

- Completed and delivered the client facing Google Ads audit with a clear account diagnosis and next step plan.
- Specified a protected Brand campaign and tightly controlled Nonbrand test around Agent Data Layer, MCP, enterprise data integration, and data products.
- Updated the working budget discussion from \$1,000 to a proposed \$2,000 monthly allocation while preserving the need for a final Brand and Nonbrand split.
- Kept the campaign build unpublished while waiting for landing page and conversion tracking confirmation.

Primary goal

NEXT ACTION WINDOW

Confirm the preferred Enterprise Data Layer and MCP landing pages, define the primary conversion, and verify whether it is tracked in Google Ads, GA4, or both before locking the budget split or publishing the campaign.

Next planning period

August 2026

EXECUTIVE ANALYSIS

The Google Ads audit was delivered, the proposed budget direction advanced to \$2,000 monthly, and the protected Brand plus controlled Nonbrand campaign plan remains unpublished while landing pages and conversion tracking are confirmed.

The next controlled action is to confirm the preferred Enterprise Data Layer and MCP landing pages, define the primary conversion, and verify whether it is tracked in Google Ads, GA4, or both before locking the budget split or publishing the campaign.

Channel performance

August 17 to August 23, 2026 activity and results by channel.

Google Ads audit

Verified weekly read

The Google Ads audit was delivered, the proposed budget direction advanced to \$2,000 monthly, and the protected Brand plus controlled Nonbrand campaign plan remains unpublished while landing pages and conversion tracking are confirmed.
