Decision state

Current delivery and next action

Get a clear Phase Two decision and scope owner, then convert the approved priorities into a dated production sequence.

New production	Source of truth	Current field	Current field
None verified	Growth plan	Pending	Pending

Workstream / campaign	State	Spend / scope	Delivery	Signal
Delivery boundary	Verified	Current scope	Documented	Avoided reopening paid media or publishing work without a client decision.
Next action	Planned	Pending approval where required	Not represented as complete	Preserved the existing neighborhood and program boundaries in the report.

Weekly summary: NKCDC remained paused while the team waited for a Phase Two scope decision. No new production was represented as completed. The existing growth proposal remains the source of truth for the next conversation..

Weekly results and work completed

Weekly evidence is separated from downstream business outcomes.

Lead accounting: Platform reported lead events are shown as whole integers where a current platform read was authorized. Platform activity remains separate from qualified inquiries, booked work, revenue, and other downstream outcomes. Unavailable fields remain pending validation.

Media results

NKCDC remained paused while the team waited for a Phase Two scope decision. No new production was represented as completed. The existing growth proposal remains the source of truth for the next conversation.

Business results

Qualified business outcomes remain separate from the verified weekly activity unless explicitly named in the source evidence.

Next reporting focus

Get a clear Phase Two decision and scope owner, then convert the approved priorities into a dated production sequence.

Work completed August 17 to August 23, 2026

WORK COMPLETED · WHY IT MATTERS · STATE

Delivery	Confirmed the paused state in the current Slack thread.	Records the client value completed during the reporting window.	Verified
Optimization	Kept the Phase Two growth strategy as the governing proposal for any next production cycle.	Connects the work to the current growth or operating objective.	Verified
Boundary	Avoided reopening paid media or publishing work without a client decision.	Keeps unavailable metrics and unapproved actions out of the client report.	Verified
Next	Preserved the existing neighborhood and program boundaries in the report.	Defines the next evidence based action without overstating completion.	Planned

August plan

Owned next steps, written for action.
