Mac Frederick — verified asks that go into the plan

Read live from Slack on 2026-09-07. Redacted to locators and asks. Not a complete historical audit. A person's name is not a route; these are Mac's own messages.

Compensation, prices, and account lists stay open until Friday writes them down.

The Friday conversation

Date	Channel	Ask	Plan response
2026-09-04	Group DM C0AEU1Q5UER	Focus Dillon on the AI division. Move Fagan FB→AEO to Phil. Jesse is pitching selected packages for split commissions. locator	D02, D03, D09. Fagan AEO is not Dillon's lane.
2026-09-04	Same DM	Friday talk: build the AI division, let Dillon spread his wings, grow the agency, prepare for the future. locator	Calendar: Dillon Mohr Monthly 1v1, Friday 2026-09-11, 11:00–11:30 ET. Bring Command Center, Snapshot, Decision Board.

The operating system Mac already drew

Date	Channel	Ask	Plan response
2026-08-04	#ai-tech-news	Press release on AI Division. Then the machine: List → Grader → Outreach → Sale. locator	Claude Design artifact 05. Inc 5000 release already went Aug 21.
2026-08-04	Same thread	Proposed split: 40% Dillon (AI, Dev, Backend: List + Grader), 40% Jesse (Outreach + Sale), 20% Momentum (brand, admin, billing, legal). locator	Show as PROPOSED on Friday. D03 still open. Do not treat as policy.
2026-08-12	#ai-tech-news	AI agents scan businesses, offer a free SEO/AI/Marketing audit, spit out a Momentum branded report. locator	Snapshot Studio is the product. Two hand-built audits already reached quote.
2026-08-12	Same channel	Next step: automated outreach with Claude, or should Jesse just call the list? locator	D10. Cold email paused. 241 sends, 0 verified human replies. Jesse calls relationship-approved Snapshot recipients.
2026-08-18	#ai-tech-news	What's next step for AI outreach?	Same. Audit-led, not list-blast.

The four lanes on the site

Date	Channel	Ask	Plan response
2026-07-27	#momentumsites	Add AI to the menu. Four sub pages: AEO/GEO, AI Design, AI Marketing, AI Automation. locator	Division structure. Do not rename.
2026-07-28	#momentumsites	Content plan for the core AI Marketing page plus the four children. AI + writing/editing. locator	Claude Design 14 plus the four ebooks.
2026-08-03	#momentumsites	Prioritize the new AI menu page + 4 sub pages. Automation already live. locator	Lane studio + public page set after Friday.
2026-08-05	#momentumsites	ChatGPT Ads page under AI Marketing. locator	Artifact 15. Already sold once at \$500/month inside Deborah Mara's package.
2026-08-05	#momentumsites	Five website/SEO goals: AI/AEO/GEO leads, local SEO, niche pages, website makeover, push AI services. locator	Marketing plan section "Own site."
2026-08-06	#momentumsites	Homepage: add AI Marketing, Industries, Experience & Credibility. locator	Artifact 16.

The deck, the films, the rest

Date	Channel	Ask	Plan response
2026-09-04	#ai-tech-news	Can AI make a better marketing deck? Current deck is old. Need AEO, AI Marketing, social packages, pricing, case studies. locator	26-slide deck exists. Eight-slide addendum exists. D11 still blocks external use.
2026-08-12	#design-social-email	New social video: Top 10 AEO tools for 2026.	Social kit uses approved AEO education, not a tools list we did not verify this week.
2026-08-12	#outbound	Cross-post for Momentum awareness, branding, and AI.	Allison/Beth/Melissa lane. Division films feed this after D12/D19.
2026-08-11	#design-social-email	Use screenshots plus AI b-roll.	Motion system offer. Logo never model-drawn.
2026-08-29	#design-social-email	Good script, unsure about the video/AI.	Keep a human review gate on every film. Mac is already the taste check.
2026-08-21	#ai-tech-news	She doesn't need a new AI website — clean up the current site.	Spec build is not the default. Closed-loop optimization is the roadmap offer.
2026-08-10	#bar-crawl-usa	Use AI to create one video for a crawl+location, possible later upsell.	Motion content system, per-client brief, rights ledger.
2026-07-15	#nkc dc	Package includes SEO/GEO content, ChatGPT Ads \$150/month + spend, Apollo + AI targeting.	Proof that AI lines already appear in real proposals. Division prices stay on the flagship sheet, not this one-off mix.

What Mac did not decide

He never named a division budget, a quota, a support owner, founding accounts, guarantee language, or whether 40/40/20 still stands next to the later "split commissions" line. Those are D01–D20. The Decision Board is how Friday closes the ones that block launch.
