WHAT ANDY SHOULD CARRY FORWARD

USE ATLANTA BELTLINE AS THE OCTOBER QUALITY BENCHMARK

It combines the best organic click volume in the event set with strong CTR, visibility, and engaged traffic.

STRENGTHEN HIGH-IMPRESSION JUNE PAGES

Bar Crawl USAEvents, Cleveland, Cincinnati, and Birmingham already earn meaningful impressions. Refresh titles, descriptions, headings, and internal discovery around the strongest current intent.

REUSE THE WINNING LOCAL PATTERN

Sarasota, Roswell, Lakewood, West Park, and Atlanta Beltline show that focused local event pages can earn stronger organic response than broad generic pages.

KEEP AUGUST FOCUSED ON THE TEN-PAGE OCTOBER SLATE

Carry the strongest local-page lessons into Atlanta, Cleveland, Cincinnati, Columbia, Greenville, Portland, St. Pete, Macon, Roswell, and Sarasota.
