

MOMENTUM 360

Eight-lane weekly paid-media packet

Local scaffold for the exact Google Ads and Meta Ads roster. No ads were changed and no client message was sent.

Reporting week: 2026-07-13 to 2026-07-19 America/New_York

Comparison week: 2026-07-06 to 2026-07-12 America/New_York

Generated at: 2026-07-26T20:20:10.5865013+00:00

Packet status: scaffold pending fresh exact-period platform exports

Conversion reporting is pending validation. Platform events and verified business outcomes stay separate. Missing values are not inferred as zero.

Lane matrix

Client	Platform	Opaque account route	Outcome status	Next action
Kimberly James Bridal	google-ads	access-broker:kimberly-james-bridal/google-ads-production	Conversion reporting is pending validation.	Fresh exact-period export required before optimization advice.

Packet contents

- Platform appendices for all eight lanes
- Business-outcome reconciliation ledger
- Measurement and source-freshness manifest
- Recommendation plan with owner, timing, impact, and approval status
- Unsent email or Slack delivery drafts for each client
- Acceptance checklist with overallPass false until fresh exports land

Hard separations

- Google Ads evidence never blends with Meta Ads evidence.
- Replenish / 7-Eleven never blends with Fresh Blends / Kwik Trip.

- Kimberly James Bridal Google and Meta lanes remain separate.
