What we completed this week

WEEKLY
READ

- Added one new blog and four service pages to expand the site's useful search coverage.
- Updated navigation so visitors can reach core services with less friction.
- Added a call now button to strengthen the path from local search to a direct conversation.
- Held the AEO and GEO add on until the agreed early September timing.

Primary goal

NEXT ACTION WINDOW

Confirm the four page URLs and indexing state, then map the September AEO and GEO layer to the strongest service themes.

Next planning period

August 2026

Weekly summary: Organic growth stayed focused on service depth and site usability. The team added one blog, four service pages, a clearer navigation path, and a call now action while paid media remained off..

Weekly results and work completed

Weekly evidence is separated from downstream business outcomes.

Lead accounting: Platform reported lead events are shown as whole integers where a current platform read was authorized. Platform activity remains separate from qualified inquiries, booked work, revenue, and other downstream outcomes. Unavailable fields remain pending validation.

Media results

Organic growth stayed focused on service depth and site usability. The team added one blog, four service pages, a clearer navigation path, and a call now action while paid media remained off.

Business results

Qualified business outcomes remain separate from the verified weekly activity unless explicitly named in the source evidence.

Next reporting focus

Confirm the four page URLs and indexing state, then map the September AEO and GEO layer to the strongest service themes.

Work completed August 17 to August 23, 2026

WORK COMPLETED · WHY IT MATTERS · STATE

Delivery	Added one new blog and four service pages to expand the site's useful search coverage.	Records the client value completed during the reporting window.	Verified
Optimization	Updated navigation so visitors can reach core services with less friction.	Connects the work to the current growth or operating objective.	Verified
Boundary	Added a call now button to strengthen the path from local search to a direct conversation.	Keeps unavailable metrics and unapproved actions out of the client report.	Verified
Next	Held the AEO and GEO add on until the agreed early September timing.	Defines the next evidence based action without overstating completion.	Planned

August plan

Owned next steps, written for action.
