What we completed this week

WEEKLY
READ

- Kept Fresh Blends and Kwik Trip separate from Replenish and 7 Eleven in reporting and communication.
- Preserved the paused Ice Box campaign state from the most recent approved handoff.
- Kept campaign metrics pending until a verified restart and current delivery read are available.
- Avoided carrying prior week totals into a new period without a verified restart.

Primary goal

NEXT ACTION WINDOW

Confirm whether the Ice Box program is approved to restart. Once live, capture a clean Monday through Sunday delivery window.

Next planning period

August 2026

EXECUTIVE ANALYSIS

Fresh Blends stayed separate from Replenish. No restart or new production was verified during this reporting window, so the report records the paused operating state and the next evidence needed before any campaign readback.

The next controlled action is to confirm whether the Ice Box program is approved to restart. Once live, capture a clean Monday through Sunday delivery window.

Channel performance

August 17 to August 23, 2026 activity and results by channel.

Campaign program

Verified weekly read

Fresh Blends stayed separate from Replenish. No restart or new production was verified during this reporting window, so the report records the paused operating state and the next evidence needed before any campaign readback.

Brand boundary	Campaign state	New activation	Metrics
Fresh Blends only	Paused	Not verified	Pending

Workstream / campaign	State	Spend / scope	Delivery	Signal
Primary weekly work	Verified	Current scope	Documented	Kept Fresh Blends and Kwik Trip separate from Replenish and 7 Eleven in reporting and communication.
Supporting work	Verified	Current scope	Documented	Preserved the paused Ice Box campaign state from the most recent approved handoff.

Activation boundary

Current delivery and next action

Confirm whether the Ice Box program is approved to restart. Once live, capture a clean Monday through Sunday delivery window.

New activation	Metrics	Current field	Current field
Not verified	Pending	Pending	Pending

Workstream / campaign	State	Spend / scope	Delivery	Signal
Delivery boundary	Verified	Current scope	Documented	Kept campaign metrics pending until a verified restart and current delivery read are available.
Next action	Planned	Pending approval where required	Not represented as complete	Avoided carrying prior week totals into a new period without a verified restart.

Weekly summary: Fresh Blends stayed separate from Replenish. No restart or new production was verified during this reporting window, so the report records the paused operating state and the next evidence needed before any campaign readback..

Weekly results and work completed

Weekly evidence is separated from downstream business outcomes.

Lead accounting: Platform reported lead events are shown as whole integers where a current platform read was authorized. Platform activity remains separate from qualified inquiries, booked work, revenue, and other downstream outcomes. Unavailable fields remain pending validation.

Media results

Fresh Blends stayed separate from Replenish. No restart or new production was verified during this reporting window, so the report records the paused operating state and the next evidence needed before any campaign readback.

Business results

Qualified business outcomes remain separate from the verified weekly activity unless explicitly named in the source evidence.

Next reporting focus

Confirm whether the Ice Box program is approved to restart. Once live, capture a clean Monday through Sunday delivery window.

Work completed August 17 to August 23, 2026

WORK COMPLETED · WHY IT MATTERS · STATE

Delivery	Kept Fresh Blends and Kwik Trip separate from Replenish and 7 Eleven in reporting and communication.	Records the client value completed during the reporting window.	Verified
Optimization	Preserved the paused Ice Box campaign state from the most recent approved handoff.	Connects the work to the current growth or operating objective.	Verified
Boundary	Kept campaign metrics pending until a verified restart and current delivery read are available.	Keeps unavailable metrics and unapproved actions out of the client report.	Verified
Next	Avoided carrying prior week totals into a new period without a verified restart.	Defines the next evidence based action without overstating completion.	Planned
