What we completed this week

WEEKLY
READ

- Recorded the request for access to the nine active store campaigns.
- Prepared the next CPC audit as a store specific review rather than blending another brand's data.
- Kept Replenish and 7 Eleven labeling explicit in the shared Slack channel.
- Kept campaign performance pending until an authorized current account read is available.

Primary goal

NEXT ACTION WINDOW

Confirm access and complete the planned campaign level CPC audit from an authorized route before presenting performance conclusions.

Next planning period

August 2026

EXECUTIVE ANALYSIS

Replenish remained a separate client lane from Fresh Blends. This week centered on access for nine active store campaigns and preparation for a Sunday CPC audit. The Ads account was intentionally not opened in this workflow.

The next controlled action is to confirm access and complete the planned campaign level CPC audit from an authorized route before presenting performance conclusions.

Channel performance

August 17 to August 23, 2026 activity and results by channel.

Account readiness

Verified weekly read

Replenish remained a separate client lane from Fresh Blends. This week centered on access for nine active store campaigns and preparation for a Sunday CPC audit. The Ads account was intentionally not opened in this workflow.

Store campaigns	Account access	CPC audit	Ads read
9 requested	Follow up	Planned	Not opened

Workstream / State campaign	Spend / Delivery scope	Signal
Primary weekly work	Verified Current scope	Documented Recorded the request for access to the nine active store campaigns.
Supporting work	Verified Current scope	Documented Prepared the next CPC audit as a store specific review rather than blending another brand's data.

Client reporting

Current delivery and next action

Confirm access and complete the planned campaign level CPC audit from an authorized route before presenting performance conclusions.

CPC audit	Ads read	Current field	Current field
Planned	Not opened	Pending	Pending

Workstream / campaign	State	Spend / scope	Delivery	Signal
Delivery boundary	Verified	Current scope	Documented	Kept Replenish and 7 Eleven labeling explicit in the shared Slack channel.
Next action	Planned	Pending approval where required	Not represented as complete	Kept campaign performance pending until an authorized current account read is available.

Weekly summary: Replenish remained a separate client lane from Fresh Blends. This week centered on access for nine active store campaigns and preparation for a Sunday CPC audit. The Ads account was intentionally not opened in this workflow..

Weekly results and work completed

Weekly evidence is separated from downstream business outcomes.

Lead accounting: Platform reported lead events are shown as whole integers where a current platform read was authorized. Platform activity remains separate from qualified inquiries, booked work, revenue, and other downstream outcomes. Unavailable fields remain pending validation.

Media results

Replenish remained a separate client lane from Fresh Blends. This week centered on access for nine active store campaigns and preparation for a Sunday CPC audit. The Ads account was intentionally not opened in this workflow.

Business results

Qualified business outcomes remain separate from the verified weekly activity unless explicitly named in the source evidence.

Next reporting focus

Confirm access and complete the planned campaign level CPC audit from an authorized route before presenting performance conclusions.

Work completed August 17 to August 23, 2026

WORK COMPLETED · WHY IT MATTERS · STATE

Delivery	Recorded the request for access to the nine active store campaigns.	Records the client value completed during the reporting window.	Verified
Optimization	Prepared the next CPC audit as a store specific review rather than blending another brand's data.	Connects the work to the current growth or operating objective.	Verified
Boundary	Kept Replenish and 7 Eleven labeling explicit in the shared Slack channel.	Keeps unavailable metrics and unapproved actions out of the client report.	Verified
Next	Kept campaign performance pending until an authorized current account read is available.	Defines the next evidence based action without overstating completion.	Planned

August plan

Owned next steps, written for action.
