WHO WE ARE

A Philadelphia agency built for small business

1,000+

Small businesses served

Philadelphia region, since 2015

2015

Founded in Philadelphia

1635 Market St. #1601

16

Clutch reviews

Verified client feedback

Momentum Digital was founded in 2015 to help small businesses grow online without breaking the bank. Mac Frederick started his career at Google, working directly with small and medium businesses, and built Momentum around that experience.

Typical projects and retainers run \$500 to \$5,000 and last one to twelve months.

WHO WE WORK WITH

Local, and staying local

- Small businesses building a digital presence

SECTION ONE

What we do

Seven service lines that share one strategy, one measurement system and one team.

01

Seven lines, one growth system

SEO	Local, technical and ecommerce SEO, Google Business Profile, audits, and programs built by industry and by city.
PPC and paid social	Google, Microsoft, Amazon, Facebook and Instagram, managed against calls and forms.
Social media	Facebook, Instagram, TikTok, Pinterest and LinkedIn, posted and grown on a real calendar.
Design and web	WordPress and Shopify builds, UI and UX, logo, graphic and brochure design.
Content and video	Blogging, email, HD photography, drone video and 360 virtual tours.
AI marketing and automation	Workflow automation, AI chat and lead routing, wired into your CRM.
Fractional CMO	Senior marketing leadership on retainer, for when you are not ready to hire one.

SERVICE LINE

SEO

Everyday Life Insurance, four months

Top five placements grew from 138 to 169. In the tracked cluster, 63% sit in the top five.

WHAT IS INCLUDED

The full search surface

- Local SEO and Google Business Profile
- Technical SEO, speed and Core Web Vitals
- Ecommerce SEO for Shopify and WooCommerce
- Free SEO and website audits
- Citations, listings and backlinks
- Content and page creation
- Programs by industry and by city

Paid media

Managed against booked calls and qualified forms, not impressions.

Where we buy

Google Ads, Microsoft Ads, Amazon Ads, Facebook Ads and Instagram Ads.

How the account is run

Audit and rebuild, conversion tracking through Google Tag Manager, search term review with negatives, budget shifted to winners.

Management is \$1,500 per month plus your ad media budget. Media spend is paid to the platform, never to us.

Social media

A real calendar, real design, and a channel that compounds.

Channels	Facebook, Instagram, TikTok, Pinterest and LinkedIn.
Every month	A content calendar built a month ahead, posts designed in your brand, three posts a week, stories and hashtags.
And then	Engagement and follower growth work, with analytics reported every month.

Social media management starts at \$1,000 per month and scales with post volume.

Content and blogging

Keyword research, four blogs or pages a month, edits and review, optimized for search and internal linking, promoted on your site and reported on. \$1,000 per month.

Email and lifecycle

Campaign execution, list segmentation and the follow up sequences that turn a first click into a returning customer.

MOMENTUM 360 · A DIVISION WITHIN MOMENTUM

Virtual tours, HD photography and drone video

360 Google virtual tours, professional photography and aerial video for property, retail and hospitality. Tours feed Google Business Profile and local SEO directly, which is why the media team and the search team sit together.

AI marketing and automation

Repetitive marketing work, handed to a system that does not forget.

01

Discovery

Goals, offers, audiences and the metrics the automation has to move.

02

Stack audit

CRM, forms, ads, email, SMS and tracking reviewed for gaps.

03

Build workflows

Triggers, segments and messages built for each funnel stage.

04

QA

Every path tested, tagging and consent validated, data confirmed.

05

Launch

Published, first runs watched, timing and routing tuned daily.

06

Report

KPIs tracked, copy, rules and steps optimized for ongoing lift.

PROOF · THE KIND INSURANCE

An AI chatbot and CRM build that closed a policy in month one

Five qualified chatbot conversations and one closed won policy in thirty days, with every lead synced into the CRM and zero manual entry.

PACKAGED

Tiers by business type

Starter, Growth and Enterprise for ecommerce. Essential, Premium and Elite for real estate.

Answer engine optimization

A growing share of research happens inside ChatGPT, AI Overviews, Perplexity and Copilot, where there is no blue link to rank for.

Entity and citation audit	What the models currently say about the business, and which pages they cite.
Answer formatting	Direct answers, definitions, FAQs and schema that mirror the visible page.
Source authority	Third party citations, reviews and listings the models actually read.
AI visibility tracking	Prompt sets tracked monthly across the major assistants, reported like rankings.

Draft scope. Momentum has no published AEO page or price. Scope and pricing need Mac's sign off before this slide is used with a prospect.

2025

BEFORE

Cheap conversions that were not calls

- Phone calls were not consistently the goal
- Budget pacing drifted and wasted spend
- Too many campaigns slowed optimization

WHAT CHANGED

One KPI, defended every week

- Calls set as the main conversion, quality checked
- Spend shifted to winners, weak campaigns paused
- Search terms reviewed often, negatives added

Cost per conversion rose on purpose. The account stopped buying cheap non call conversions, so call volume more than quadrupled.

SECTION THREE

Working together

How an engagement starts, what it costs, and what you get back every month.

03

How an engagement runs

It starts with a free audit, and nothing is guessed after that.

01

Free marketing audit

We audit the website, SEO and full digital presence before quoting. Published as a \$500 value.

02

Strategy and goals

We agree the outcome first: calls, forms, bookings or sales, and how each is counted.

03

Build

Site, tracking, campaigns, content and automations built to that plan, with clear owners.

04

Launch and optimize

First runs watched closely, then continuous testing on ads, pages and search terms.

05

Report

Analytics, tracking and consulting are in every retainer. You see the same numbers we do.
