

Google Ads health review

Onsite Concrete & Landscape

Fairfield and Solano County, California

2026-09-04 through 2026-09-04

Campaign 24183437726: Enabled.

High Intent and matching full account totals; three campaign rows read. Saved evidence only; report generation does not refresh the account. The priority is to validate delivery and business outcomes.

Impressions	Clicks	Google Ads spend
0	0	\$0.00

Conversion reporting is pending validation

Qualified leads	Pending
Connected calls	Pending
Booked estimates	Pending

Aplatform event or phone-link click is not proof of a real inquiry, connected conversation or booked job. These outcomes have not yet been reconciled with CRM or call records.

Next actions

1. Validate accepted inquiries and reconcile CRM or call outcomes.
2. Refresh missing reporting periods and conversion diagnostics.

Account 1033715894 · America/Los_Angeles
Captured 2026-09-05T13:37:00Z (minute-approximate). Metrics cover the stated window; settings describe the capture time.
